BRENNAN MARTIN

San Diego, CA / Portland, OR | (503) 250-0248 | brennankingmartin@gmail.com
linkedin.com/in/brennanmartin04 | github.com/BrennanKM | juniorjobhunt.com

Business Analytics senior who sells, scopes and ships, and builds working software and multi-agent workflows with AI agents daily.

EDUCATION

University of San Diego, Knauss School of Business | *San Diego, CA* — Expected May 2027
B.A., Business Analytics | Minor: Entrepreneurship | Dean's List (2023–24)
Coursework: Descriptive Analytics & Data Management (R, Python, SQL); Analytical Decision Modeling; Marketing Analytics

University of New York in Prague | *Study abroad, Prague, Czech Republic* — Fall 2025

EXPERIENCE

Owner-Operator, Independent Contracting | *Portland Metro, OR* — June 2020 – Present
- Run a junk removal, pressure washing and land clearing business with **$100K+ in revenue since 2020**
- Summer 2026: **~$40K revenue and $30K+ profit** with a team of 3; 40+ projects a summer (2023–26) at **$121.68/hour**
- Win, scope, price and negotiate multi-day contracts **up to $15,000**, including land clearing; hire and supervise crews
- Built **100+ returning clients** through door-to-door outreach, Nextdoor and a referral bonus program
- Used revenue per hour by service line to move marketing and crew time toward land clearing, the highest-paying service

Freelance Web Designer | *Wilsonville / Tualatin, OR* — Jan 2026 – Present
- Target local businesses that already pay for ads but run weak websites, a better lead filter than businesses with no site
- Built 5 demo sites with AI coding agents and pitched each owner in person; **signed 2 paying clients (40% close rate)**
- Wrote proposal and terms-of-service templates with two pricing models, plus a Spanish-language version

Vacation Rental Manager, King Tide Seaside | *Seaside, OR (remote, part-time)* — Feb 2025 – Present
- Launched a coastal vacation rental for its owner: Airbnb listing, website, branding, house manuals and guest-amenity planning

AI PROJECTS

JuniorJobHunt Inc. | *Co-Founder & CEO* — Winter 2023 – Present
- Won **$16,000 in non-dilutive grants** pitching a platform that connects young adults with local gig work (see Awards)
- Designed the backend, now built solo with AI agents: live site → Cloudflare Workers → Airtable → automated email; pre-launch
- Incorporated as a Delaware C-Corp; managed legal and financial advisors, budget, and an outside development partner

RunsOnDopamine | *Multi-agent product pipeline* — Oct 2026 – Present
- Run an Etsy shop where research agents spec a product daily, a scheduled job renders PDFs and photos, and Claude checks files and drafts listings; human approval on every publish; 34 listings live

See a Send a | *Chapter web app* — Sept 2026 – Present
- Built and launched a chapter web app (PWA, Supabase): photo posts, leaderboards, push alerts; 17 members joined in two days

Field-Service Business Analytics App | *Personal project* — Summer 2026
- Cleaned a season of job and client records and replaced the spreadsheet workflow with a mobile web app used daily in the field
- Built reporting on revenue and $/hour by service line, top clients and year-over-year change, plus a rules-based job classifier

LEADERSHIP & ACTIVITIES

Vice President of Chapter Operations, Delta Sigma Pi | *University of San Diego* — Jan 2026 – Present
- Run operations for a 50+ member chapter: meetings, events, scheduling and shared trackers; member since Fall 2024

Campus AI Leadership Council, BoodleBox | *Remote* — Dec 2024 – Mar 2025
- One of ~47 students nationwide on the student council of an AI platform for higher education

USD Club Lacrosse, Player (2023 – Present) | **USD Campus Recreation**, Official (Spring 2026)

AWARDS

1st Place & $15,000 Grant, USD Fowler Business Concept Challenge (200+ applicants) — Nov 2023
Finalist & USD Representative ($1,000 grant), Global Social Innovation Challenge — May 2024
Top 5 Finalist, San Diego Startup Week Intercollegiate Pitch Competition — Oct 2024
Top 5, Global Student Entrepreneur Awards (GSEA), San Diego competition — Feb 2025
